

the same farm since 1938. David has devoted his life to farming, spending his childhood on the farm, and his passion has been passed down to his children. Wildy Family Farms is a fifth-generation farm. His father and grandfather both earned the Arkansas Master Farm Family award. Being named the Arkansas Farm Family of the Year has been a longtime dream for David.

David and Patty oversee 9,200 acres of land where they grow soybeans, cotton, wheat, milo, and peanuts. The Wildys are committed to being good stewards of the environment. Energy and water conservation play a major role in the business. Using a private environmental audit process to protect the condition of the land, Wildy Family Farms is able to meet and improve its conservation goals and the standards established for environmentally responsible practices.

David is a leader in Arkansas agriculture. He served as a member of the Mississippi County Farm Bureau board of directors for 7 years, presiding as president in 1986. In addition, he served on the Arkansas Agriculture Department board from 2005–2010 and is a member of the St. Francis Levee District board of directors, the University of Arkansas Agriculture Development Council, and several other boards and associations.

The Arkansas Farm Bureau's Farm Family of the Year program honors farm families across the State for their outstanding work both on their farms and in their communities. This recognition is a reflection of the contribution to agriculture at the community and State level and its implications for improved farm practices and management. The Wildy family is well deserving of this honor.

I congratulate David and Patty as well as other partners, which includes their sons and daughters Justin and Kristi Wildy, Tab and Taylor Wildy, Hayley Wildy and Paul and Bethany Harris, on their outstanding achievements in agriculture and ask my fellow colleagues to join me in honoring them for this accomplishment. I wish them continued success in the Farmer of the Year program and look forward to the contributions they will continue to offer Arkansas agriculture.●

#### TRIBUTE TO JEFF SAYER

● Mr. CRAPO. Mr. President, my colleague Senator JIM RISCH joins me today in expressing our gratitude to Jeff Sayer, a great Idahoan and public servant. We honor Jeff's contributions over the past few years as he transitions from State service.

Jeff Sayer has served honorably as the State of Idaho director of the Department of Commerce since October 2011. During his 4 years of service at the Department of Commerce, Jeff accomplished many important objectives. They include the reorganization of the department, making it leaner and more responsive to business. Jeff likes to say

that he wants a department that "moves at the speed of business," and he was successful in meeting that goal. Jeff launched the Idaho Global Entrepreneurial Mission and established the Idaho Opportunity Fund, as well as Idaho's Tax Reimbursement Incentive that resulted in 4,047 new jobs, \$496 million in new capital investments, \$1.65 billion in total wages, and \$288 million in new State revenue. These are just some of the impressive accomplishments of the Department of Commerce under the direction of Jeff Sayer.

Jeff's leadership of the Governor's Leadership in Nuclear Energy, or LINE, Commission is equally important. Jeff started this commission, led it through a complete review of the State's role in supporting nuclear energy and Idaho National Laboratory, and oversaw the completion of a final report that is still helping guide policymakers in Idaho and Washington, DC.

While we congratulate Jeff on being presented with an outstanding opportunity to return to the private sector, we are saddened to be losing his leadership and talents in State government. We wish Jeff and his wife, Laurel, well in their new endeavor and look forward to still leaning on Jeff for guidance and wisdom on a frequent basis.●
